Dear Sir/Madam

With utter enthusiasm and excitement, we would like to inform you that this year also we are celebrating the ***"NATIONAL SCIENCE DAY" on 28TH & 29TH FEBRUARY, 2020*** as a remarkable tribute to the great Indian Scientist Sir C. V. Raman. We are organizing a **seminar, project competition as well as publishing our Departmental Newsletter**. Students of B. Tech. 1st year are expected to showcase their ideas and talent through the project exhibition. A **tentative program schedule** is attached with this mail.

We extend our invitation to grace the occasion and also encourage the participants of the competition.

Regards,

Dr. Susanta Kumar Saha

Dear Sir/Madam

It is a pleasure to inform you that Department of Engineering Sciences and Humanities is going to celebrate the Post National Science Day on 9th and 10th of March 2018 .

In this regard your gracious presence is solicited at **2.30 pm on 9th March, 2018 at Sir J.C. Bose seminar hall** for the inauguration of the program which will be followed by the launch of the Departmental Newsletter.

Every year we have a special attraction, to encourage the plethora of ideas that the young generation of students bank on. This year's advent is a special competition of Projects based on the advancement of Science and Technology by the students of B.Tech. 1st year. In this context, I request all the departmental heads to inform all the faculty & staff members of your esteemed department to visit the **project exhibition (during 3 pm to 5 pm on 9th March, 2018 at DESH Building)** which will encourage the budding engineering students of B.Tech. 1st year.

Dear Colleagues

On the occasion of 5th September 2017, pay homage to our great educationist we are organizing a wall magazine on behalf of Literary House. We have already announced the topic in every section verbally to the students of the topic "Indian Society at the Crossroads" to be submitted by 4th September 2nd Half which will be hung on the wall in Room No 302. We request you to motivate the students so they participate enthusiastically and express their literary skills. We also request your pleasure to grace the occasion when our students exhibit their skills.

NOTIFICATION

Date: 21.01.2017

Ref. no. : Admin/2017/03/343

TO : ALL FACULTY & STAFF MEMBERS

We are expecting that all Faculty & Staff members will attend the celebration of **68th Republic Day** programme in the SIT campus. The programme will commence at **9.30 am** and necessary Bus arrangements have been made for To and Fro journey of the Faculty & Staff members and it is suggested to record your attendance in the biometric attendance system.

HOD's are advised to communicate the message to all Faculty & Staff members of the department.

For attending the celebration of **Republic Day programme**, the college bus service will be available as per the following schedule.

1. Staff Bus No. 1 (Panitanki More to SIT) – 8.35 am
2. Staff Bus No. 2 (Hatimore More to SIT) – 8.45 am

And return back from SIT after the end of the programme.

Co-operation from all is requested.

Dr. J. Jhampati 21/1/17.

Notice

Date: 31.08.2016

All the students of SIT are hereby informed that a **Poster Competition** will be conducted on **15.09.2016** as a part of the “**Engineer’s Day**” celebration. Venue and schedule of this event is as follows:

DATE	TIME	EVENT	VENUE
15.09.2016. (Thursday)	1:20 PM-2:10 PM	Poster Competition	Centre Circle, Ground Floor, SIT Main Building
	4:45 PM	Prize Distribution	

Key points:

Theme: “*Technology for Mankind*”

Size of the poster: Poster should be prepared within the size of a standard drawing chart paper. Printed material may be acceptable, but weightage will be given to the creative hand drawn designs. **Participants should write their Name, Department, Semester, Roll number in their poster (preferably at the bottom extreme right hand side).**

Participation Criteria: Individual participation i.e., one poster per participant.

Prizes: Three top candidates will be awarded with mementos.

Poster Submission: Students are advised to submit the poster to the following departmental committee members within **3 pm of 14.09.2016 (Wednesday).**

PROPOSAL

Date : 09.08.2016

Tentative Schedule for Fresher's Welcome Programme for - 2016-2020 batch

Date of Programme : 05.09.2016

Venue : Sir J.C. Bose Seminar Hall & EE Department Seminar Hall

Department	Time schedule of Fresher's Programme	Venue
IT	12 noon to 2:00 pm	EE Dept. Seminar Hall
EE	2:30 pm to 4:30 pm	--- do ---
CSE	12 noon to 2:00 pm	Sir J.C. Bose Seminar Hall
ECE	2:30 pm to 4:30 pm	--- do ---
CIVIL	12 noon to 2:00 pm	Existing CIVIL Department

NB :

1. 1st year students can celebrate Teachers' Day programme during 10:00 am to 11:30 am at the DESH Department, subject to permission from HOD, DESH.
2. Senior students also can celebrate their Teachers' Day programme at their respective department at their convenient time, subject to approval from their HODs.

The matter is now forwarded to Director, SIT for final approval.

Tech-Mgmt Fest Committee

Notice

Date: 12.08.2016

This is to inform all concerned that the Tech – Mgmt Fest Committee is going to celebrate the **“Akshay-Urja Diwas” on 20th August, 2016** in the Institute premises.

The tentative program schedule is as follows:

- Awareness Program [Distribution of Badges] (9.45am to 10.30am)
- Open Quiz Competition [For students] (1pm to 2pm)
- Solar Show (11am to 1pm)
- Earth Hour celebration (2pm – 2.10pm)

All HODs/Incharges are kindly requested to inform the students of their respective departments for registration in the Open Quiz Competition.

The students interested in participating in the Open Quiz Competition may contact the following faculty/staff members on or before 18.08.2016.

1. ECE Dept. – Mr. Sourav Sarkar
2. CSE/IT Dept. – Ms. Sathi Ball
3. EE Dept. – Mr. Amiya Mandal
4. CE Dept. – Mr. Rajen Koley
5. MBA Dept. –Ms. Santana Guha
6. MCA Dept. – Mr. Apurba Chakraborty
7. HMCT Dept. –Md. Irfan

We look forward to your co-operation in making the event a grand success.

Dear Sir / Mam,

It gives us immense pleasure to invite you and all the faculty/staff members of your department to join us in celebrating **TECH – MGMT FEST “TECHNOVISION 2K16”** from **23rd to 25th February, 2016**. We have set up a platform where students from different colleges will gather and compete in a healthy atmosphere and get an opportunity to explore and unleash their latent talents.

The program schedule for **TECHNOVISION 2K16** is as follows:

SL. NO.	EVENTS	TIMINGS	VENUE
DAY I (23.02.2016)			

1.	Participants Reporting & Enrollment	10.00AM – 11.00AM	Event Venue
2.	Project Competitions <ul style="list-style-type: none"> ➤ Hardware based Projects ➤ Software based Projects ➤ Construction based Projects 	11.00AM – 4PM	SIT Main Building
3.	Business Bazigarh	11.00AM – 4PM	Library Building
DAY II (24.02.2016)			
1.	Robotics Competition	11.00AM – 4PM	Centre Circle, Ground Floor, SIT Main Building
2.	Master Chef	11.00AM – 4PM	BHMCT Dept.
3.	Debate	2.00PM – 4.00PM	Sir J.C. Bose Seminar Hall
4.	Make From Waste	2.00PM – 4.00PM	SIT Main Building
5.	Computer Gaming	11.00AM – 2PM	Central Lab., DESH Building
6.	Prize Distribution	4 P.M.	Main Stage
DAY III (25.02.2016)			
1.	Workshop on Blogging	11.00AM – 4PM	EE Dept., SIT

We look forward to your co-operation in making the event a grand success.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

Brief report of “National Science Day” Celebration on 28.02.2018

National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist Sir Chandrashekhara Venkata Raman on 28 February 1928. The celebration also includes public speeches, radio-TV talk shows, science movies, science exhibitions based on themes and concepts, watching the night sky, live projects, research demonstration, debates, quiz competitions, lectures, science model exhibitions and many more activities.

Electrical Engineering Society (EES) also took the initiative to celebrate this day in the department on 28.02.2018.

Objective of the program: The objective of the program was to widely spread a message about the significance of scientific applications in the daily life of the people as well as encourage the people as well as popularize the Science and Technology.

Outcome of the program:

Students will be able to:

- To discuss all the issues and implement new technologies for the development of the science.
- To display all the activities, efforts and achievements in the field of science for welfare of human being.
- To give an opportunity to the scientific minded citizens in the country

The program details are as below:

Title of program: National Science Day, 2018

Resource Organization: Department of Electrical Engineering

Date: 28.02.2018

Time: 2.15 pm onwards.

Venue: Dr.A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Summary of the program:

- The program started with the welcome speech by Prof. S.Roy, Advisor, EES, who discussed all the issues and current new technologies for the development in the field of science.
- The speech was continued by Prof. J. B. Basu, HOD, Department of Electrical Engineering, SIT, Siliguri who emphasized the importance of science and its application among the people.
- The program continued with a documentary movie show on ‘Quantum Indians’ which is a National Award winning movie based on compelling and inspirational story of three renowned Indian Scientist: Satyendra Nath Bose, CV Raman and Meghnad Saha.
- Students were motivated and amazed to know so many unknown facts and stories of the achievements.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

- The program ended by vote of thanks by Prof. S. Roy.

Brief report of “Akshay Urja Diwas” Celebration on 19.08.2017

Akshay Urja Diwas is an awareness campaign about the developments of Renewable Energy in India, celebrated on August 20th every year since 2004. The Indian Ministry for New & Renewable Energy Sources initiated **Akshay Urja Diwas** in 2004 on the birthday of former Prime Minister Rajiv Gandhi. Since then each year, this day is celebrated with rallies, human peace chains, competition such as essay writing, painting, quiz, debates, poster completions etc. organized by educational institutions across the country.

Akshay Urja Diwas is an effort for creating awareness about the development of Renewable Energy in our country, informed the end users about the latest developments as well as sharing the views and experiences of all the stakeholders.

Objective of the program: The objective of the program was to generate mass awareness and popularization of need, benefits and uses of renewable energy devices in all sphere of life.

Outcome of the program:

Students will be able to:

- Recognize the need and importance of Renewable Energy.
- Understand the impact of the professional engineering in society and environmental contexts.
- Demonstrate the knowledge of, and need for sustainable development.

The program details are as below:

Title of program: Akshay Urja Diwas 2017

Resource Organization: Department of Electrical Engineering

Date: 19.08.2017

Time: 11.00 am onwards.

Venue: Dr.A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Summary of the program:

- The program started with the lightening of diyas by all the HODs as well as the students.
- At the beginning of the program, an introductory and welcome speech was delivered by Prof. J. B. Basu, HOD, Department of Electrical Engineering, SIT, Siliguri.
- Projoy Roy, Vice- President of EES delivered speech on highlighting the importance of Renewable Energy.
- An inter house Poster Competition on ‘Global Warming’ was organized for 2nd year students.
- Subhajit Barman of Edison House and Riya Sarkar of Ampere House secured 1st and 2nd position in inter house poster competition respectively.
- Basudeb Mohanta, 2nd year student presented one video highlighting the need of Renewable Energy. He briefed about the responsibilities of an engineer in building a strong and stable sustainable

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY

ELECTRICAL ENGINEERING

environment, which provides prosperity and opportunities for all without hampering the environment.

- A Debate Competition was organized among the 2nd and 3rd year students.
- Barnomay Choudhury and Anjum Iqbal of 3rd year secured 1st and 2nd position respectively in the Debate Competition.
- A small skit was presented by the students of 2nd year emphasizing on the importance of 'Water Pollution' in the society.
- An Inter House Quiz Competition between the students of 2nd was organized where Sarabjit Kumar and Rakesh Neopane of Edison House came 1st as well as Sahil Rai and Bappaditya Shome of Volta House secured 2nd position.
- Dumb Charades Competition was held among the 2nd and 3rd year students which was divided into three rounds: Technology, Movie and Famous Personality.
- Projoy Roy, Snigdha Das, Rojika Darnal and Snigdha Chakraborty of 3rd year secured 1st position whereas Arindam Mondal, Sayani Bhattacharya, Uday Roy and Abhishek Dey of Volta House, 2nd year came 2nd.
- Veni, Vidi, Vici (Talent Round) was organized for the students to present their talent in front of the audience. Both 2nd and 3rd year students participated in the competition.
- Snigdha Chakraborty and Kishore Kumar of 3rd year secured 1st and 2nd position by singing song in the talent round
- The winner and runner up were awarded with prizes along with the certificate.
- All the EES members were awarded with the appreciation certificate.
- The program ended with the vote of thanks by 2nd year student and National Anthem was sung by all the members present in the hall.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

Brief report of “World Water Day” Celebration on 22.03.2018

Water is an essential building block of life. It is more than just essential to quench thirst or protect health; water is vital for creating jobs and supporting economic, social, and human development. Environmental damage, together with climate change, is driving the water-related crises we see around the world. When we neglect our ecosystems, we make it harder to provide everyone with the water we need to survive and thrive

Electrical Engineering Society (EES) took the very noble initiative to make people aware the importance of fresh water and advocating for the sustainable management of fresh water resources.

Objective of the program: The objective of the program was to generate mass awareness and taking the time to appreciate the role that water plays in our day-to-day life.

Students will be able to:

- Recognize the need and importance of conservation of water.
- Understand the impact of the professional engineering in society and environmental contexts.
- Demonstrate the knowledge of, and need for sustainable development.

The program details are as below:

Title of program: Celebration of ‘World Water Day’ 2018

Resource Organization: Department of Electrical Engineering

Date: 22.03.2018

Time: 4.30 pm onwards.

Venue: Dr.A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Summary of the program:

- At the beginning of the program, an introductory and welcome speech was delivered by Prof. J. B. Basu, HOD, Department of Electrical Engineering, SIT, Siliguri.
- A Poster Competition on ‘Nature for Water’ was organized for 2nd year and 3rd year students.
- Prof. Samrat Ghosh, Assistant Professor, Civil Dept., Prof. Rajib Chettri, Assistant Professor, DESH Dept. and Prof S. Roy, Assistant Professor, EE Dept. made their judgement on poster competition along with voting conducted among the students.
- Subhajit Barman of Edison House secured 1st in poster competition whereas Snigdha Chakraborty and Aishika Nandy of 3rd year secured 2nd and 3rd position respectively.
- An open quiz competition on the various facts about water was organized by the 3rd year students among 1st, 2nd as well as 3rd year students.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

- Susmita Guha Sarkar gave a small speech on depiction of water scarcity scenario in India.
- It was followed by innovative idea presentation on '*How we can use nature to overcome the water challenges in 21st century*'.
- Basudeb Mohanta, Abhishek Dey and Mrinal Chanda of 2nd year presented their innovative ideas on how to conserve water for future generation.
- The winners of poster competition were awarded with prizes as well as certificates.
- The program ended with vote of thanks by Prof. S. Roy, Faculty Advisor, EES, and group photographs were taken by the students.
- Students also pasted stickers on awareness of water conservation in all the water points of the institute.

Brief report of “ International Women’s Day” Celebration on 08.03.2018

International Women's Day (IWD) is celebrated on March 8 every year. It is a focal point in the movement for women's rights. International Women's Day is not country, group or organization specific. The day belongs to all groups collectively everywhere. This year the theme for celebrating women’s day was ‘Press For Progress’. Collective action and shared responsibility for driving gender parity is what makes International Women's Day successful

Electrical Engineering Society (EES) also took the initiative to celebrate this day in the department on 08.03.2018.

Objective of the program: The objective of the program was to celebrate the social, economic, cultural and political achievements of women.

Outcome of the program:

Students will be able to:

- To extend the significance and progress the level of women education all over the country.
- The marks a call to action for accelerating gender parity.
- Understand the importance of gender parity in the society.

The program details are as below:

Title of program: International Women’s Day, 2018

Resource Organization: Department of Electrical Engineering

Date: 08.03.2018

Time: 04.00 pm onwards.

Venue: Dr.A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Summary of the program:

- The program started with the welcome speech Prof. J. B. Basu, HOD, Department of Electrical Engineering, SIT, who emphasized the importance of women empowerment at work and in the society and motivated EES members to celebrate this event with utmost zeal and enthusiasm every year.
- He continued his speech by thanking three most important women in his life i.e. his mother, his wife and his sister who continually motivated and encouraged him to be what he is today.
- Further, Prof. M.R.Chakraborty, enlightened every one by urging every girl to realize their strengths and abilities and step out in order to contribute to the society and the world consequently.
- The program continued with a skit, performed by the students of 2nd year who showed that a knowledgeable woman has the skills, information, talent, and self-confidence that she requires to be a superior mother, employee, as well as citizen of any country.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY

ELECTRICAL ENGINEERING

- Priyanka Das of 2nd year and Rojika Darnal of 3rd year presented a wonderful speech and asked every individual to help forge gender parity on International Women's Day (IWD) and beyond.
- An open quiz competition was conducted by the student of 3rd year where various facts were discussed about women.
- A documentary movie was shown to the students on the Nobel Peace Prize recipient Malala Yousafzai's who battled for equal rights for girls. Her speech to the United Nation mentioned about the girls education.
- Students were motivated and amazed to know so many unknown facts and stories about her struggle as well as her achievements.
- Prof. J. B. Basu, HOD, Department of Electrical Engineering, SIT, distributed a small gift to all the female students present in the seminar hall for appreciating their potential and motivating them to become a successful person in every sphere of their life.
- The program ended with vote of thanks by Prof. S. Roy, Faculty Advisor, EES, and group photographs were taken by the students.

Brief report of “VOLUNTARY BLOOD DONATION CAMP” on 27.08.2018

It is rightly said that “**To Donate Blood is to donate life**”. Donating blood is indeed the noblest donation a person can make. With rising population in India, blood banks are also facing scarcity. A Blood Donation Camp is such a place where both the interest of Blood bank and a donor can be catered. A day long camp is organized, preferably in medical centers, where the blood bank comes with their volunteers to receive the blood from the interested donors. After successfully donating blood, the donors are provided with Government approved certificates as well as Donor Card, which is valid for 1 year from the date of donation. A donor can exchange his donor card for a unit of blood, within this 1 year.

Objective of the program: The objective of the program was to stand for a noble cause and to help the North Bengal Medical College Blood bank with potential donors.

The program details are as below:

Title of program: Voluntary Blood Donation Camp 2018

Resource Organization: EES, Department of Electrical Engineering in association with NSS unit of SIT

Date: 27.08.2018

Time: 10.00 am onwards.

Venue: Medical unit, SIT

Summary of the program:

- The program was inaugurated by **Dr. Rudranath Bhattacharya, Ex-MLA, Siliguri** and **Chairman, Rofi Kalyan Samiti of NBMC, North Bengal Dental College & Siliguri Sadar Hospital** in presence of **Dr. J. Jhampati, Director of Siliguri Institute of Technology & Prof. J. B. Basu, HOD, EE.** Dr. Bhattacharya appreciated the initiative taken for the noble cause and highlighted the benefits of blood donation. He also said that this kind of program will encourage the budding technocrats and future managers to be socially responsible. Dr. Jhampati has happily consented to extend necessary support for organizing this type of program in the surrounding area to create awareness as part of social responsibilities that Techno India Group always carries out..
- After the inauguration, the students as well as blood bank volunteers were ready with the kits, emergency beds, refreshments and other requirements.
- Snigdha Chakraborty, EE, 4th year student was the 1st donor.
- After giving blood she was provided with refreshment packet and was awarded with Blood Donation Certificate as well as the donor card which is valid for 1 year from the date of donation. A donor can exchange his donor card for a unit of blood, within this 1 year.
- Before donating blood each blood donor's health was inspected by the professional doctors who came from North Bengal Medical College. Their weight, earlier medical history were asked by the concerned assigned volunteers.
- The student's refreshment were arranged near the BHM building. There were total 200 online registrations done before the blood donation and out of that 160 donors came forward for donation.

VISION OF THE DEPARTMENT:

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

- Various faculties from different departments also participated and after the proper health checkup by the doctor were allowed to give blood.
- Each donor were provided with donation certificate, donor card, donor badges and refreshment packets.
- There were few emergency cases also which were handled with proper care and precaution by the professional doctors.
- The camp witnessed a huge success with active participation from students and faculties of Siliguri Institute of Technology.
