## **The Trust**

In the year 1999, a self-financed Trust namely "Academy of Engineering and Management Trust" marked its footprint into the field of higher education by setting up an institution to provide quality technical education in North Bengal.

Shree Gautam Roychowdhury and Shree Satyam Roychowdhury, two great visionaries translated their ideas to promote higher education into reality. They are great believers of building nation by inculcating values through education in the young generation.

With time, under their leadership and with the help and active support, guidance, and blessings of renowned personalities from all spheres of life including academicians, professionals, industrialists, the Trust has expanded its academic activities since then.

Siliguri Institute of Technology under "Academy of Engineering and Management Trust" has a lush green campus spread over 10 acres of land and is surrounded by tea gardens all around which add scenic beauty to the place adored by one and all.

## **Vision**

To be a recognised institution offering high quality education, opportunities to students to become globally employable Engineers/Professionals in best ranked industries and research organisation.

## **Mission**

To impart quality technical education for holistic development of students who will fulfil the needs of the industry/society and be actively engaged in making a successful career in industry/research/higher education in India & abroad
