Brief Report of 'Alumni Talk' on 15.03.2018

Alumni refers to former students of a particular school or college. Electrical Engineering Society was very fortunate to organize an alumni meet for the current batch students. Amit Kumar from 2017 pass out batch was invited to speak with the Electrical Engineering students. He was asked to motivate and guide them through his past and present experiences as being an ex-student of the department as well as an employee of IT industry. The students also were so much enthusiastic to see Mr. Amit Kumar as he was very recent senior to many of the students.

Objective of the program: The objective of the program was to make students understand how they can have a successful engineering career in future.

Outcome of the program:

Students will be able to:

- Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Recognize the need for and have the preparation and ability to engage in independent and lifelong learning in the broadest context of technological change.

The program details are as below:

Title of program: Alumni Talk, 2018

Resource Organization: Department of Electrical Engineering

Date: 15.03.2018

Time: 1.20 pm onwards.

Venue: Dr. A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Name of the alumni: Amit Kumar

Batch: 2013 – 2017

Branch: Electrical Engineering Department

Present Role- Investigation Specialist at Amazon Development Center India Pvt. Ltd.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

Details of the program:

- The program started with welcome speech by Prof. J.B.Basu, H.O.D, EE Department where he introduced Mr. Amit Kumar with Electrical Engineering students. He also shared his memory about Mr. Amit Kumar and congratulated him on his successful career at Amazon.
- Mr. Amit Kumar started his speech with special thanks to all the faculties as well as staffs for supporting and guiding him continuously throughout his 4 years of engineering journey at Siliguri Institute of Technology. He expressed his special gratitude towards Prof. J.B.Basu, H.O.D, EE Department who has been his friend philosopher as well as his guide and has provided him with the platform to launch himself in today's competitive world.
- He shared his various wonderful experiences of the college with the students and advised them to attend classes regularly. Mr. Amit Kumar in his speech highlighted some of the important criteria's which current industry normally seeks from any candidate and motivated the students to understand the fundamentals of every subject so that after completion of their course it becomes easy for them to choose a specific field.
- He also encouraged the students to perform group studies and to do various software as well as hardware projects which will increase the weightage of their CVs. While interacting with the students, he urged every student to develop some key skills which will act as their asset at the time of their placements.
- The session continued with students asking questions regarding their future career in industry as well as recent trends in Electrical Engineering in the industry. He also emphasized on the fact that there is no short cut in life to achieve success unless you put labour into it as 'the word labour comes first in dictionary than success'. Mr. Amit Kumar concluded his speech by urging everyone to close their eyes, realize what they want to do with their life, pull up their socks and dive deep in their mission.
- The program ended with vote of thanks by Mr. Subhojit Roy, Faculty Advisor, EES who thanked Mr. Amit Kumar for taking out time from his busy schedule and motivating as well as guiding the students of EE Department for better carrier growth.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

Some Glimpses of the “Alumini Meet-2018”

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

Brief Report of interaction with alumni with students held on 27/08/2019

Alumni are the brand-ambassadors of the institution they graduated from. A strong and a positive relationship with the alumni can benefit the students socially, academically and professionally. Thus alumni network has a real life benefit for current students. Alumni also donate their valuable time to offer career support to current students. This enhances the students' experience and gives them that competitive edge in today's tough job market. Alumni can help students get placed at their respective organizations. Creating an engaged, supportive alumni network is crucial to an institution's success. Good alumni relationships bring many benefits to both the institution and the alumni. Today, alumni relations are an important part of an institution's advancement activities for many reasons. Alumni are an institution's most loyal supporters. They take their knowledge of your institution to their hometowns and countries and into their professional and social networks.

Thus as a whole the alumni network has a very positive impact to the overall development of the student as well as the institution.

Objective of the training:

- To encourage, foster and promote close relations among the alumni and the students.
- To discuss important criteria's which any industry normally seeks from a candidate.

Outcome of the program:

Students will be able to:

- Apply reasoning informed by the contextual knowledge to assess social, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Recognize the need for and have the preparation and ability to engage in independent and lifelong learning in the broadest context of technological change.

The program details are as below:

Title of program: Alumni interaction with students

Date: 27/08/2019

Name of Alumni: Ms. Neha Bhowmick (working at Amazon)and Mr. Suvankar Chowdhury (M.Tech student at IIT Hyderabad), 2016 pass out students.

Venue: Smart class room, Department of Electrical Engineering, SIT

Participant Batch Year: 2020, 2021, 2022 pass out students, EE

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

Summary of the event:

The following points can be noted from the event

- At the beginning of the interaction Prof. J.B.Basu, H.O.D, EE delivered an introduction speech and introduces Ms. Neha Bhowmick and Mr. to the students.
- The interaction started with the speech of Ms. Neha Bhowmick. She had explained very well the present needs of the industries and how to prepare the students to meet the need.
- Neha suggested all the students to actively attend all the trainings organized at college as those trainings are having huge importance in industry. She also added that many students are eagerly looking for these trainings to join after passing out from the college with high training fees as these trainings are highly required to increase the skill set required to get job.
- She also suggested the students to do projects actively as many as they can do and get deep knowledge about the project works along the skill in Microsoft excel.
- Neha recommended the student to regularly attend all the classes at college and always get in touch with the faculties to get knowledge and suggestions to develop their skills as college is the only platform where the students can seek for any help at any time to any faculty regarding any subject which may not be available in industry for all the time.
- She also guided the students regarding how to write the resume with contents and requested the students to upgrade their resumes on frequent basis.
- Apart from these Neha shared her experiences with Amazon and requested the students to stay connected with her and other alumni members in LinkedIn.
- Next Mr. Suvankar has started his speech and explores the scope and importance of higher studies. He suggested the students to always attend the classes and follow good text books to make the concept strong regarding the subjects.
- He also suggested the students to do their projects sincerely with sound knowledge.
- Both Neha and Suvankar showed the gratitude for the outstanding environment of education and learning at Department of Electrical Engineering, SIT, support from the faculties, laboratories, teaching learning process etc.
- Neha and Suvankar thanked many times to Prof. J.B.Basu and Prof. M.R.Charabory for their contentious motivations, encouragements, supports, teaching and helpfulness to the students which help them a lot at their working life.
- At the end of the program the students were asked to ask any questions.
- As per the feedback received from the students end, the entire session was really fruitful and enjoyable and this kind of sessions may be for longer period in future for such better output.
- The attendance of the students throughout the session was satisfactory.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

Affiliated to WBUT & Approved by AICTE

Alumni Meet 2015

Dear Alumni

This Alumni Meet has special significance as it is being held in the backdrop of celebrations of the institute which marks the completion of 15 glorious years since it was established in the year 1999.

Major enticement of the day

- An open discussion sharing thoughts to strengthen the Alumni-Institute interaction
- Glimpses of the days gone by from the archives of the Institute
- Campus tour
- Games
- Cultural events by the existing students & Alumni
- And many more

The Faculty, staff and students of Siliguri Institute Of Tecnology eagerly look forward to welcome you back to your Alma mater

Message from Editorial Board

First of all we would like to thank the organizing committee to give us a scope to share something on this auspicious occasion.

The 15 year Celebrations of this temple of learning named Siliguri Institute of Technology is a joyous occasion and when the institution is organizing Alumni Meet, it is our own alma mater; the joy is multiplied many times over. The College has seen a long line of graduates passing through its portal, many of whom have achieved commendable heights in their chosen profession. We are all proud of them, and of our college. And our college Siliguri Institute of Technology, which is endowed with a life and personality of its own, though unseen to our naked eyes, is also proud of its students.

For almost 15 years Siliguri Institute of Technology has seen many students of various talents and it can be said that the journey has been quite interesting. It has enriched us in many ways.

We heartily welcome you all. As far as this souvenir is concerned, it was the desire of all of us to prepare something which could be a cherished possession. We wanted you to remember your days in here and write about those days and the teachers in short, mostly memory pieces. Due to constraints of time and other factors we didn't receive too many articles from all end. We hope you like our effort.

But with saddened heart we should also remember the students and staffs of Siliguri Institute of Technology who has gone for heavenly abode untimely. May their souls rest in peace. We will never forget you.

We thank all contributors specially those who have lent priceless photographs and First Step Printing press for publishing this souvenir in very short notice.

Alumni Meet

CELEBRATING

15

**GLORIOUS YEARS
OF
SILIGURI INSTITUTE OF TECHNOLOGY**

15th Feb 2015

Techno India™ Group

Phone : (91) 33-2357-6163/64/84/2658/1094, Fax : (91) 33-2357-2450

Date : 13.02.2015

From the Desk of Managing Director,
Techno India Group

I am happy to know that **Siliguri Institute of Technology** is organizing its 3rd Alumni Meet this year on 15th February 2015. It is a great feeling for me to send the Message for the Souvenir which is going to be published on this occasion. It would not have been possible without the team effort that every member of this Institution has put into it.

Siliguri Institute of Technology had started its journey in 1999 and has completed fifteen glorious years in 2015. It is needless to say that within this short span of time many of our Alumni have reached across India & abroad.

I am sure the Alumni of the **Siliguri Institute of Technology** will come together to share their career advice and life experiences to motivate not just present students but also faculty members.

I wish all a very successful Alumni Meet 2015.

Satyam Roychowdhury
Managing Director
Techno India Group

From the Desk of Executive Director,
Techno India Group

I am delighted to know that **Siliguri Institute of Technology** is going to arrange its Alumni meet on 15th February 2015 at its beautiful campus. As we all know that, a strong Alumni Association is a great strength and support for the Institute in many ways. I express my thanks to the team of organizers, all our alumni for responding to join the meet.

My heartfelt good wishes for every success of the meet.

MESSAGE

Date : 12th February, 2015

From the desk of :

DR. S. RAY CHAUDHURI

Director

Siliguri Institute of Technology.

I am feeling proud to be the Director of a 15 year young engineering college **SILIGURI INSTITUTE OF TECHNOLOGY**, belonging to India's leading academic conglomerate, **TECHNO INDIA group**. Over past 15 years, the institute has produced lots of successful engineers who are well established in their profession. We get success stories of our students regularly who are spread in different continents, states, industries, business verticals and entrepreneurship organizations. During the Alumni Meet 2015 on 15th February, 2015, we shall like to see all those faces in SIT where they will recollect their best days of youth entwined with dreams, achievements and failures. Current students will also like to share the experience of and guidance from their seniors. Let us all join hands for eventful and successful organization of **ALUMNI MEET 2015** with lot of events, pomp, fanfare and make it a memorable day for our students of yester years.

A handwritten signature in red ink, appearing to read 'S. Ray Chaudhuri'.

DR. S. RAY CHAUDHURI

**WE BELIEVE THAT A COLLECTIVE VOICE IS VITALLY
IMPORTANT IN ALL ASPECTS OF OUR INSTITUTE**

Feb 12, 2015

To
Dr. Sukumar Ray Chaudhuri
Director,
Siliguri Institute of Technology,
Sukna, Siliguri.

Sir,

I am grateful for invitation to participate in Alumni Meet 2015. I also feel privileged to send the Message for the Souvenir you are going to publish. I am really honored to have the opportunity to be associated with the Foundation Team which started SJT's journey in the year 1999 and has completed fifteen glorious years. I also feel proud because within a short span, large number of our Alumni live across India & abroad, you linked with us in true sense globally, although scattered widely, you all are part of a remarkable network of people.

I am sure the Alumni of the Siliguri Institute of Technology (SJT) will come together to share their career advice and life experiences to steer existing students & Faculty members and all other stake-holders and to take this institute to far greater heights and make it a model institution to contribute to the talent resource pool of our State & country.

I wish for a very successful Alumni Meet 2015 of SJT scheduled on 15 Feb, 2015 and more glorious times ahead for the institute.

(Dr.Arindam Ray)
Administrator,TJG

Founder Principal's Message

I am very excited on getting an invitation to attend the ALUMNI MEET 2015 as part of celebration to mark the glorious 15 years of excellence of Siliguri Institute of Technology. Since, I left SIT, the memories of the Institute are alive and still I am thinking of visiting the Institute. Many of the first batch of students are keeping in touch with me through social websites. I am really proud to be associated with you all.

SIT is growing with active participation of dedicated Faculty and students . I wish this Institute creates a name not only in the state but in the country.

Dr. G. C. Kakoti
Ex Principai,SIT

Respected MD sir, Principal sir, Director sir, Register Sir, Manager Administration, members of college faculty & TIG family, my fellow alumni, dear friends, ladies and gentle man...a very hearty good morning/ afternoon to everybody.

It's quite true that, when SIT College authority requested me if I would convey my message in today's reunion, I was quite humbled, but more than that actually stunned. And looking around further, I could not help but feel a bit of nostalgia, some sentimental longing, a wistful affection for the past. And I know, you all feel that way too, for that's what our SIT alumni homecoming is all about.

However I must confess that, I have a strong reason why I accepted this task to send you this message today - quite personal and self-serving - and I need to say it now.

Before I start to open up myself I must admit that, it would have been one of the most cherishable moments in my life if I could be present physically in this grand ceremony, as because the magnificent premises of SIT always brings series of memories in front of me. I can still vividly remember how much I was overwhelmed when I came along with my husband to get a glimpse of his would be work place in the year 2001. Both of us fell in love with SIT... My husband Prof. Ashish Ranjan Nath joined as vice principal here and then subsequently worked as principal.... I was Mrs. Nath only. That 'Mrs. Nath' once became Smt. Sujeta Banerjee (Nath), a student of BHMCT of SIT - yes, my BACK TO SCHOOL session started on 2005 when I was a mother of a 5 yr old daughter, 'TITLI'. My passion in Hospitality Industry, my husband's inspiration and the support of my daughter forced me to travel the journey of 4 yrs BACK TO SCHOOL session.

In the occasion of SIT's Alumni ceremony I must take an opportunity to thank all associates with SIT, starting from our TIG Management to every professor, staff members, my fellow SITians.

Dear friends, let me share one of my personal feelings with you all... Many of you must be knowing that very recently I had come across a very very difficult situation in my life when I had to fight for my existence... for my LOVE... for my INSPIRATION!! At a certain point of time, when I was completely exhausted mentally, physically, economically, the whole TIG family and especially the SITians stood by my side.... That day, I could realize how essential it is to be in touch with people and for that this type of Alumni Program is so helpful!! I thank all of you, dear!!

"Miles to go before I sleep" was the mantra of my husband. He taught me in that philosophy. Teaching was His passion. Just to be into this profession he left his 20 yrs of industry background and devoted his life among the students. I am really fortunate to get him as my husband as well as my teacher. I REALLY MISS HIM!!! Today, I also miss my HoD sir, our beloved SenGupta sir. . . .

Whenever I recall my Siliguri days, I still can see my college standing amidst the nostalgic refreshing smell of green tea leaves- My SIT. . . the 'S'uperb 'I'ndigenous 'T'ouch.

Let today's affair be an opportune time for us from way back, when to reminisce the joys and the sorrows, the tears and the laughter we had together, and probably share with them the learning, the good things and the fortune which we may have acquired in life through the years.

For this, I thank the organizers, for spearheading today's SIT alumni homecoming program, for their time, effort and resources in providing us this opportunity to gather and enjoy the day. I appreciate their spirit and commitment. Let's also thank the administrators, the college faculty and staff for their presence too.

The last but not the least my appreciation, my gratitude, to the Principal, Director, Register, and also to Tamal Sir for being so kind to organize such a gala event. The celebration would not be complete without their presence. I pray that you will always be here with us every alumni celebration.

And finally, at the conclusion I must pay my gratitude to our MD sir for his constant silent support on me and my family. Finally, once again I thank the members of SIT who have remembered me and honoured me by giving me a chance to share my feelings with you all.

Thank you all!

Sujeta Nath

(First Batch Student of BHMCT)

5:00 PM - 6:00 PM	SITEXs Reunited [Cultural Event]	Main Stage
6:00 PM	Vote of Thanks by the Jt. Coordinators	Main Stage

Messages from Alumni

Siliguri institute of Technology or SIT, as we know it better-the very name triggers a rush of memories of happy days full of fun, laughter and hope!

The four years that I have spent here will always remain one of the most happy times of my life! Its been almost 12years now that I crossed the college gate but it feels just like yesterday! Gosh! 12 years..really?!!

The constant support and patronage that this institute has provided us with helped us to make commendable mark in our professional lives. I take immense pride in calling myself anSITian because the education and all-round grooming that is provided to us by the college helps make confident individuals who shine in their respective job arena.

The alumni meet is a great initiative! It will help us connect back to each other and relive those golden days again!

~ Rajen Banerjee, IT - 2003

SIT being the oldest engineering college in Siliguri, has Alumni graduating for over the last decade. Building a strong Alumni base will only help in garnering efficient networks for sharing information. Alumni chapters at city levels will provide opportunities for debate, networking, and meeting industry professionals and business leaders.

The great support from the faculty and zealous participation of students has enabled us to achieve our mission of strengthening the bond.

With changing jobs, cities and personal accessories, it has become hard to track the Alumni in this ever-growing, fast-paced world. Using technology will help in increasing the coordination and communication between students, faculty and Alumni.

Wish this Alumni meet 2015 is a grand success in bridging the gap between the Yesterday, Today and Tomorrow of SIT

~ Suman Kundu, EEE - 2003

I would like to express my sincere gratitude to all the members of Alumni Committee who has worked real hard and gave us an opportunity to meet old college days folks and get in to down the memory lane. I want to thanks everyone from Alumni who helped to make this event possible through their active involvement. I also appreciate all the present batch students for their tremendous effort to welcome the Alumni members.

I still remember the first day we stepped in to the college campus from Naukaghat hostel in a bus. Only the ground floor was prepared mostly. It seems just like few days back though fifteen long years gone in between. If I retrospect then without any doubt those 4 years were the best days of my life. I would love to come back again and again to this place and cherish those beautiful moments that I spent here with all my buddies. Millions of thank to God for giving me all those beautiful memories as well as wonderful seniors, friends and juniors who made my life an excellent journey.

~ Debalin Das - ECE - 2004

I still remember the very first day in my college. It was August of 2000. We had roomed ourselves in hostel at tinbatti more 2 days before the day. In the morning, buses came to pick us up. We reached college at around 10 o'clock in the morning. The college, I discovered was actually an under construction building having chromosome kind of shape with G+1 storied standing middle of tea gardens and bushes! Wow! I uttered.

Finally with all the noises of marble polishing machines, construction water drops on our heads, dusts of cement and sand, headaches of hammering and drilling I found the engineering building completed by end of 2003. Honestly, I found my father's investment behind every single brick of the building. And probably why I find it my second home, away from my home! You know that is why it pains when I saw junior guys were damaging the college properties for whatever the reason it was, but I was crying alone in grief.

Despite all the adversity in terms of distance, location and political scenario of the state, SITans have been doing remarkably well in industries. I can name at least hundred mates who are doing well in TCS, Hindustan Unilever, Yahoo, Amazon, Indian Airforce, Graphite, Alstoms, PWC, TCE, Godrej, WBSEB, WIPRO, South City Projects, Sify, American Bank, .. a few to name. Many of them have been running their own companies too. Few of them have shifted to different domain like musics and etc. they never compromised with their passion!

The Alumni Meet will not only assure the interaction and future supports to my beloved juniors and college administration, but will also make students feel the pride of being SITan.

~ Debtanu Bhattacharya, ECE - 2004

Brief Report of ‘NostalgEEa – Alumni Meet 2018’ on 29.09.2018

The Alumni meet is an event for old relationships to be cherished, celebrated and refreshed and new ones to be formed. It is a time of reflecting, remembering the good old times and memories of the Alumni and looking forward with a sense of purpose and anticipation. We are pleased to have organized a wonderful and memorable ‘NostalgEEa’ on 29th September 2018 at Siliguri Institute of Technology.

Creating an engaged, supportive alumni network is crucial to an institution’s success. If communication stops once graduates leave an institution, their understanding of the university will become stale. Instead, they should be kept informed so they can remain engaged and keep abreast on the progress of the university and Electrical Engineering Society (EES) was very fortunate to organize an alumni meet for the current batch students. As graduates of the institution, alumni have a special connection with the university and as a result are likely to be some of its more loyal supporters. If we keep them properly informed and engaged, alumni are our most loyal supporters and our best ambassadors, offering invaluable marketing and promotion across their personal and professional networks.

The date and time of the meet was well publicized and beforehand preparations were made for the success of the meet. The faculties and staff were put on duty by constituting various committees for the day.

Objective of the program: The objective of the program was to discuss important criteria’s which any industry normally seeks from a candidate.

Outcome of the program:

Students will be able to:

- Apply reasoning informed by the contextual knowledge to assess social, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Recognize the need for and have the preparation and ability to engage in independent and lifelong learning in the broadest context of technological change.

The program details are as below:

Title of program: NostalgEEa - Alumni Meet, 2018

Resource Organization: Department of Electrical Engineering

Date: 29.09.2018

Time: 11.00 am onwards.

Venue: Dr.A.P.J. Abdul Kalam Hall, Department of Electrical Engineering, SIT

Summary of the program:

- The program started with the registration of alumni at 10.00 am by the registration committee..
- Most of the Alumni were visiting their Alma mater after a long time and naturally were thrilled to be back in the campus again. Some of them attended the meet with their children and family members as well.
- The ceremony began at 11.30 am with the traditional lighting of lamp by Prof. J.B.Basu, H.O.D, EE Department, Prof. M.R.Chakraborty, Coordinator of EE Department and all the invited alumni.

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

- Prof. J.B.Basu, H.O.D, extended a hearty welcome to the alumni and the dignitaries to the Alumni Meet. In his speech, he updated the alumni about new initiatives taken up by the institute as well as department and congratulated student members of EES for organizing such a prestigious event.
- Prof. M.R.Chakraborty, invited the few alumni members to share their experiences of their graduation period. They shared their various wonderful experiences of the college with the students and advised them to attend classes regularly. They also highlighted important criterion which current industry normally seeks from any candidate and motivated the students to understand the fundamentals of every subject so that after completion of their course it becomes easy for them to choose a specific field.
- After a joyful interaction with the students, a short 15 minutes tea break was organized for all the alumni.
- Post tea break session, a faculty and alumni interaction was arranged. Mr. Sudeep Das, Training and Placement Officer, SIT along with departmental Training and Placement in charges interacted with all the alumni. They asked for suggestions and modification regarding trainings that are provided to the students.
- Mr. Sudeep Das, also urged the alumni members to kindly provide their references in core as well as software sector for improving the placement of Electrical Engineering graduates.
- Mr. Avishek Gupta Roy, Associate Consultant, TCS suggested various training programs such as Code Vita, Java , IOT, Ruby, Python, etc. for the students as it will be very helpful for those students who want to apply for software sector.
- Mr. Arindam Mallick, Deputy Chief Engineer, M.N.Dastoor & Co., also suggested to conduct trainings on software automation, ETAP, PDMS, AutoCad.
- As many of the alumni are now part of recruitment process, according to them the students over here lack analytical skills which are one of the most important criteria's for placements. Furthermore, Alumni after sharing their experiences assured all kinds of help, support, and cooperation for the betterment of the students and institute as whole.
- After a serious discussion a lunch session was organized for the alumni. It was observed that old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and enjoying in groups.
- Post lunch session, a student and alumni interactive session was organized where students were allowed to ask any doubt or query related to placement and future career prospects and recent trends in Electrical Eng.
- Mrs. Joyita Ghosh, Delivery Manager, IBM in her speech suggested students that salary should not be important concern for the fresher's. Initially they need to gain experience and emphasized on the fact that there is no short cut in life to achieve success unless you put labor into it as 'the word labour comes first in dictionary than salary'.
- Various questions like the need of English language to get a good job, requirement of trainings, extra skills required at the time of placement, difference between core and software industry and many more were raised by the students.
- All the queries were answered by the alumni. They said that initially they should remove the tag of

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.

SILIGURI INSTITUTE OF TECHNOLOGY ELECTRICAL ENGINEERING

fresher's from their CVs and gain experience. They also suggested the students to explore various companies and attend all the campus drives conducted by the college.

- At last all the 41 alumni's were presented with memento by the faculty, staff as well as the students of the Electrical Engineering Department.
- A group photograph comprising of alumni's, students and all the faculty and staff was taken in front of the main building. The Alumni showed their willingness to help and partner in various ways. The Meet ended with a sweet hope of Meeting again next year.

Some Glimpses of the "NostalgeEa – Alumni Meet 2018"

VISION OF THE DEPARTMENT:

To emerge as a leading Department of Electrical Engineering that caters to the latest needs of power sector, electrical & allied industry in the region.

MISSION OF THE DEPARTMENT:

To evolve as an innovative & globally competent Electrical Engineering department that contributes to the socio - economic growth of region by utilizing the advancement in Electrical Engineering by providing conducive learning and interactive environment to students and faculty.
