JUDGING PROCESS:

The judging process for the hackathon projects followed a comprehensive evaluation based on innovation, technical proficiency, impact, user experience, presentation, team collaboration, problem-solving, and overall impression. Our esteemed panel of judges rigorously assessed each project according to these criteria.

The Final Score, calculated out of 100, was determined based on the following criteria: Innovation & Creativity (20 Marks), Technical Proficiency (20 Marks), Impact & Relevance (15 Marks), User Experience (15 Marks), Team Collaboration (10 Marks), Problem Solving (10 Marks), Presentation & Communication (5 Marks), and Overall Impression (5 Marks).

The evaluation process was conducted in an offline, face-to-face mode in the presence of judges. Each team was allotted a total of 45 minutes to present their presentation and showcase their prototype or working model.
